

Partnership Opportunity for Social Impact & Community Development Across the DRC

To Whom It May Concern,

Warm greetings from Nish Apartments.

As a proudly Congolese-owned business rooted in Kinshasa, we recognise that progress is meaningful only when it is shared. That is why we are reaching out to forge partnerships with charitable NGOs and nonprofit organisations who are making a real difference in the lives of disadvantaged individuals and communities, not only in Kinshasa, but across the entire Democratic Republic of Congo.

Our Vision:

To support and collaborate with credible, mission-driven NGOs whose work aligns with the belief that every Congolese citizen deserves equal rights, dignity, and access to a culturally rich and dignified standard of living – regardless of geography, background, or social status.

Who We Are Looking to Support:

We are seeking to partner with NGOs or community-based organisations that:

- Work with vulnerable or marginalised populations (e.g., women, children, disabled persons, rural communities).
- Can demonstrate transparency with up-to-date financial records and reporting.
- Have a clear track record of impact and community engagement.
- Share a commitment to equity, cultural dignity, and long-term empowerment.

Whether you work in health, education, shelter, food security, arts and culture, or human rights, if your mission is to uplift others, we would like to help amplify your efforts.

How We Can Contribute:

- Donations of goods, services, or accommodations to support your initiatives
- Collaborative community events or outreach programs
- Promotional support to help raise awareness of your cause
- Logistical or in-kind support for specific projects or campaigns
- Potential integration into the corporate social responsibility (CSR) activities of Nish Apartments and its partners

Join Us in Building a More Equitable DRC

We are passionate about building a country where no one is left behind – and we believe strong partnerships between the private and nonprofit sectors are key to making this vision a reality.

If your organisation is interested in working together, we kindly invite you to send us:

- A brief overview of your work
- Your latest annual report or summary of activities
- Details of specific areas where support is needed
- Contact information for a follow-up conversation

Let us collaborate to uplift the lives of others with compassion, purpose, and unity.

With respect and solidarity,

Community Engagement Coordinator
